# Henleaze News

## Nearly at the end of another Term!

Hope you all had a fantastic Bank Holiday weekend, managing to enjoy the sunshine and some of the celebrations for VE Day. It has been lovely to see some of your pictures. This issue has some great news for our school, see the special photos just below!! I know Class 8 in particular will be very interested! Tomorrow (Saturday) would have been our May Fair. Last week we suggested you take a look at may pole dancing for your weekly challenge. This week we have chosen something else connected to the May Fair so that we can still feel like we are doing something special and not missing out too much! See the 'Weekly Challenge' below. Please continue to send all your wonderful pictures or reports to share in our newspaper to the email below as well as the work going to your teachers:

## Welcome to Baby Otto

**Otto Charles Hale**  
**Born: 7.5.20**

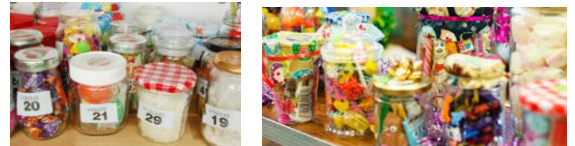

Congratulations to Mrs Hale and Joe.

What a gorgeous boy. Some great news to share. Kept us all waiting...but the best things come to those who wait!!!

## Weekly Challenge

This Saturday would have been our school May Fair. Your weekly challenge this week is to decorate a jar or small container and put things in that are special to you. What would you like to win and see in a jar on our Jolly Jars Stall? The good news is that after you make it, you can get to keep it!! Or you could give it to someone in your family to brighten up their day!

You could send in some photos to:

[photos.henleazei@bristol-schools.uk](mailto:photos.henleazei@bristol-schools.uk)

## Who's Who?

Each week we will post 4 pictures of staff showing what they looked like when they were the same ages as you. Last Week's answers:

Mrs Larner

Mrs Keefe

Mrs Fricker

Mrs Gibson

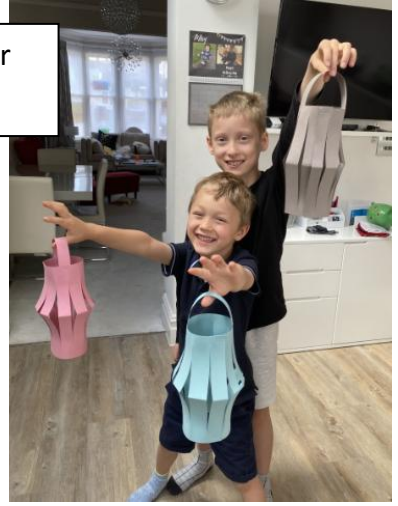

# Amazing Fun and Learning...

Keeping fit and practising catching!

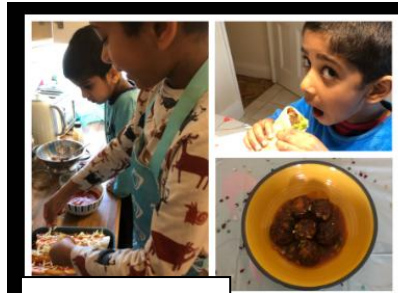

Lanterns for Ramadan

Thesi's Calming Jars

Arrays!

A new hobby!

Trap that Rat!

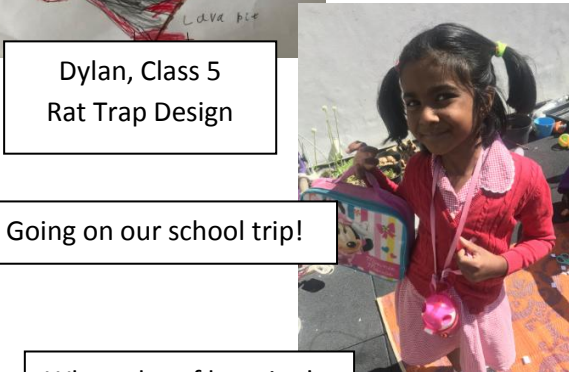

I have been cooking every weekend!

Dylan, Class 5 Rat Trap Design

Sink or Float?

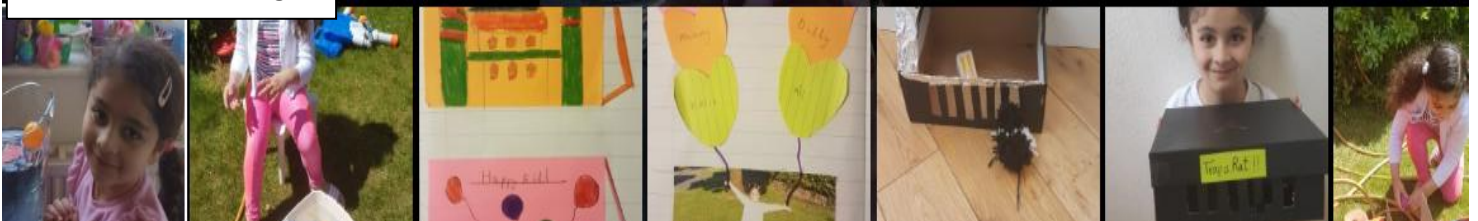

Going on our school trip!

Moon and Stars for Ramadan

What a lot of learning!

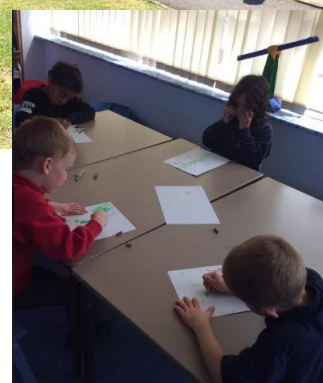

# Letter from Mrs Fricker

Dear Children,

I hope that you and your families are all well and that you have been able to make the most of being outside a bit more. I was really impressed with the creative ways you have been recognising both VE day and Ramadan whilst at home as well as the many ways you have been rising to the challenge of tasks either set by teachers, or things you are choosing to do with your families. You remind me of all the famous people we talked about in assembly earlier this year. maybe you will grow up to be like the astronaut Mae Jemison or scientist Albert Einstein or even like the characters Iggy Peck Architect or Rosie Revere Engineer!  
Keep up the fantastic work.

Love from Mrs Fricker

## Pictures from School

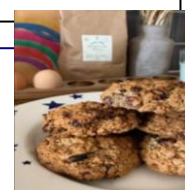

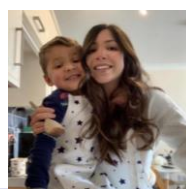

## Teacher Feature

Hello Henleaze Infants!

Hope you're all keeping well at home. I have enjoyed seeing all of the things you have been getting up to and the fantastic learning efforts too- particularly impressed at the creative skills so many of you continue to demonstrate! This week has been a lovely lockdown week for me. On Thursday it was my birthday so Theo my little boy and I had a birthday cake breakfast and a sunshiny walk. This week we have visited some new places for our walks. We have been to the countryside to feed the ducks, woodlands to explore and some biking on the cycle track too. Keeping active has been one of our favourite things to do, which I'm sure will be the same for lots of you too- check out Joe wicks fancy dress Fridays if you haven't already! We have been running daily and rewarding ourselves with bakery goods- all in the balance!! This week in the lockdown kitchen we have baked carrot cake, rhubarb crumble, cookies and of course the classic banana bread.. as well as lots of veggie dishes. We have loved cooking a roast dinner together every Sunday. We have also enjoyed DVD nights, reading new books and posting letters/ arts and crafts to the people we are missing and have been receiving lots of post too. A really lovely way to stay in contact with family and friends. I am missing school so much and thinking of you all often. Keep smiling and stay happy!

Love, Miss Thomas.

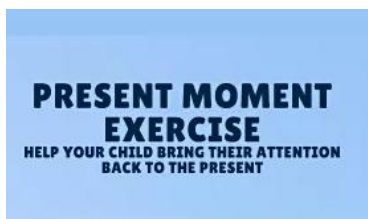

# Fundraising Efforts

Tatty Woodbridge class 8 raised £75 with her brother Rufus and sister Freya for the Hope foundation in India. They grew and sold tomato plants. The money will go to support families at the school who are struggling due to the Coronavirus. The Hope Foundation is partnered with Redland Green school.

## Well Being

Below are some useful links to resources to promote our well being at this strange time.

<http://www.tradingwithschools.org/Article/74594>
