

End of Term!!

Well done everyone. We are at the end of Term 5! Doesn't time fly when you're having fun!! As ever your teachers have been working hard to plan fun learning for home and those in school, your parents and carers have worked incredibly hard to help you at home and you, you have all worked so hard and should be really proud of all your achievements! Everyone is really working so hard and your outcomes are immense. It is the end of term so please have a great break. There are lots of ideas for activities online, on our blog and in past issues of our news. Next term the whole school will be thinking about the same topic, 'Journeys'. The weekly challenge below is connected to this.

Please continue to send all your wonderful pictures or reports to share in our newspaper to the email below as well as the work going to your teachers:
photos.henleazei@bristol-schools.uk

Weekly Challenge

Your challenge, should you choose to except it is to take some photos of yourself or your whole family, pretending to be at a different location, as if you were away on holiday. You could do this with the clothes you are wearing, clever camera angles, swimming pool in the garden, ski slope! Be creative. You could try to re-create the inside of a plane! See what you can come up with as a family! We will see if we can guess the location.

You could send in some photos to:

Who's Who?

Each week we will post 4 pictures of staff showing what they looked like when they were the same ages as you. Last Week's answers:

Mrs Hopkins

Mrs Wood

Mrs Maddern

Mrs Lovell

Talah, Class 4
Jolly Jar
A fabulous Jar.
Well Done!!

Amazing Fun and Learning...

What a Creative Unicorn!

Drawing an architectural building

Nathan, Banksy inspired art work.

Dylan, Class 5, Drew a lovely picture of his name.

Art in the Garden!

Superman! Super art!

Ollie, Class 4 Banksy Inspired Art

Thesi's Paintings

Capacity work for Year 1

Thomas has been creatively writing comics these past weeks.

An Artist at work!!

Fantastic Cooking Skills!

Letter from Mrs Fricker

Dear children,

I hope that you have all had a good week and that maybe you played some of the games that Annie-Rose and her brother played in the story I shared on Monday. I know that lots of you have been learning like a Creative Unicorn; Year 1 creating some Bansky-inspired artwork, Reception children writing a story about what might happen if you found magic beans and Year 2 creating a 'revolting cake' recipe. I can't wait to see these when they are sent in. Teachers have been busy thinking about learning for next term. We are so proud of the way you have been sticking at learning like the tortoise and we want to share more exciting challenges for you to get stuck into after a well-deserved rest next week. Have a good 'holiday' week. Stay safe.

Love from Mrs Fricker

Pictures from School

Teacher Creature Feature

Hello childrens.

My name is Finton and I am Mrs Lerner's doggo. My humans say I am a Cocker Spaniel and I am 10 months old. They still call me 'puppy' but I think I'm a proper big boy now. I have really been enjoying the last few weeks as my family seem to have been home a lot more than they were before, especially the little humans. I love my little humans so much! I like to lick their faces to show them I love them! I'm not sure they are as keen but I keep doing it anyway! I try hard to be a good boy but sometimes I just can't help being a bit naughty. I do like digging up the flower beds even though I know I shouldn't. Others things I love are meeting new people, barking loudly, peanut butter and my toys. I do not like being put in my dressing gown when I get wet or scary dogs that shout at me! I wonder if you have any pets like me? I would love to see them! Maybe you could send in some pictures of you with your pet to the newsletter and Mrs Gibson might publish some of them.

Take care, lots of love Finton xxx

Stay positive, keep learning

5 tips for children and families learning and living through social distancing

STICK TO A ROUTINE

Keep getting up and going to bed at set times. This is **ENORMOUSLY** important for your **mental** and **physical** health.

Plan your days with time for **work** and **play**. This will help you to stay **positive**, calm and productive.

MAKE TIME TO BE CREATIVE

Paint. Write. Bake. Play. Dance. Make.

Take time to **discover** new talents, or nurture old ones.

Find out what things the adults in your home can do and learn from them, or use the internet to discover and learn new skills. The **possibilities** are endless!

LIMIT SCREENTIME

Tablets and computers are going to play a huge part in your learning, but don't let yourself become a **screen zombie!**

Be mindful of how you use screens and try to take lots of breaks.

Here are some tips:

1. Limit screen time to 1 hour a day.
2. Turn on a focus mode or use other ways to shut off addictive apps.
3. Do as many things in the real world, as you do in the virtual!

GO OUTSIDE, STAY ACTIVE

Spending time in the **sunlight** is essential for wellbeing.

Make time **everyday** to be outside. If you have a garden, use it. If you don't, take walks with your family wherever you can safely.

Staying **active** is also really important.

Getting moving little and often, will help you keep fit, boost your mood and build your strength.

TALK, SHARE, BE GRATEFUL

The next few months will be challenging, and it's normal to have some worried feelings.

Talk to family and friends. **Share** how you feel and if you are able to, listen to others too.

If you have relatives or neighbours that are isolated, arrange with a grown up to call and check in. **Stay in touch** with friends and family via post, telephone or email.

Be grateful for each other. Now more than ever.
