

Henleaze Infant and Junior School Bulletin

6th February 2026

Headteacher update:

With Safer Internet Day next week I want to point you in the direction of our [Online Safety](#) page on the school website. This is particularly aimed at supporting parents and carers with navigating how to keep children safe in the ever-evolving online world.

A parent spoke to me today about feeling a bit lost when navigating the new website as they were used to knowing where key things were on the previous site. Below is a quick guide at to where to find useful day-to-day information

Calendar and term key dates: Under 'About Us'

Blogs/ Google Classroom: Choose Infant or Junior School then go to year group page

Policies: Under 'Key Information'

Who's who: Choose Infant or Junior School, then 'Staff'

Then there is a whole section for parents containing all the other practical information we think you need. (below). We hope that this website along with the weekly bulletin and communication with staff, is giving you all you need to know to feel confident about your child's school experience.

Parents

Absence reporting

Lunches
