

Dear Parent/Carer,

We haven't let the changeable weather affect us too much this week and have continued with some exciting learning, inside and out. With National Walk to School day on Wednesday 7th October and Clean Air Day on Thursday 8th October, there will be an even more essential need for waterproof coats! As well as waterproof coats for outdoors, please remember that we have a lot of windows open all day in school so the children must wear a jumper, cardigan or fleece every day and as it gets colder, may need an underlayer too.

On Monday 5th during the INSET day staff are further developing subject knowledge and skills in teaching phonics and early reading. There will be no set home learning for children on this day, but please use the recommended site, our Numbergym subscription and Bug Club digital reading scheme if you are able to. We have increased the number of texts available in the e-book scheme in response to feedback and again thank you for your commitment to home learning.

Next week staff will be available in Zoom meetings to answer questions related to last week's curriculum presentations sent to parents. Thank you to everyone who has sent questions in advance. The chat function will be available for questions during the sessions and we will record the meeting for those unable to attend.

- The **KS1** parent session will be on **Tuesday 6th** at 5:15

Celebration

Stars of the Week:

Class 4: Logan

Class 5: Oscar

Class 6: Annmarie

Class 7: Grace

Class 8: Ana

Class 9: Sam

Well done all of you for your fantastic achievements this week!

Class of the week:

Class 9 - for great learning behaviours in the classroom and for developing creative and safe games in the playground.

Learning in school has encouraged children to be like Linking Spider,

with Year 1 using their science work on senses to imagine and describe the planet Beegu might live on. Year 2 have made links in their number

knowledge to help their maths learning and have also been using Curious Cat detective skills to spot evidence of a dragon on the loose, creating wanted posters and plans for (humanely) catching the dragon! Our Reception children have been introduced to the second ELLI character Adaptable Chameleon and are learning how important it is to adapt and develop ideas in learning and play.

Have a lovely (long) weekend.

Best wishes

Gemma Fricker

Class 7 pupil photographs

Please note that Colorfoto will be in school on 19th November to take pupil portraits for Class 7. If your child was not in school on Wednesday 30th September for the photo day and you would like them to have their photograph taken, please let your child's

class teacher know so that this can be arranged.

School's Out Henleaze October Half Term Holiday Club– open for bookings

Our October Half Term Holiday Club is open for bookings! Running from 26-30 October, based at Henleaze Infant School, we can't wait to have some Autumnal fun. From Halloween crafts and leaf collages to junk modelling and scavenger hunts, alongside our usual wide range of sports and other activities, we'll keep your kids entertained. **For more info and to book visit www.schoolsouthenleaze.co.uk/holiday-club-programme or email Jenny, manager@schoolsouthenleaze.co.uk.** The club costs £30 for a full day (8.15am – 5/5.30pm).
