Dear Parent/Carer,

We have met as a staff team to reflect on the first term following school closure. The overwhelming feeling is that the biggest success has been the focus on childrens' well-being and setting new routines, not only to support the starting or settling into school after a prolonged absence, but in managing new safety measures. It has been reported that class hand washing times have now reached new personal bests and are not interfering as much in the core school business of learning and play!

The plans for amalgamating missed key learning with the expectations for the current plans have gone well. There have been some areas where children have exceeded our expectations and where we have identified gaps, plans for the next term have been adapted to address them. Teachers will talk to you about how you can best support your child's progress during parents' evening events at the start of November.

From the national and local news you will be aware of a rise in Covid-19 cases. Headteachers from Bristol had a briefing yesterday that included input from the local Public Health Team. The rise seen in the community is being reflected in schools, with single cases and clusters in a number of schools in the city, but with your support to maintain our controls, we are confident in our ability to stay open safely.

We are receiving reports from some families that not everyone in our school community is following our instructions to socially distance, or to help this by moving through the site in one direction wherever possible. We do not have the staff to police this, so we ask that you **please respect the safety of others** and help keep our school open.

Celebration

Stars of the Week:

Class 4: **James**

Class 5: **Ethan**

Class 6: **Nathan**

Class 7: **Bella**

Class 8: **Rosa**

Class 9: **Eloise**

Well done all of you for your fantastic achievements this week!

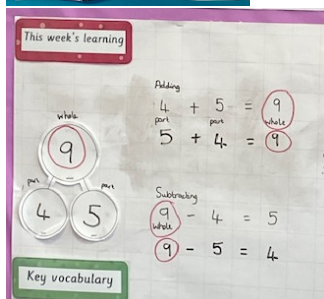

Class of the week: Class 5: Have been working really hard to listen to and follow instructions. Miss Frost reports that the children have been doing a great job and is really pleased.

Learning in school:

Reception have been learning about and being Creative Unicorns this week. In Write dance they progressed from creating big body movements to the Volcano dance, to using crayons and paper to make marks like a volcano.

Year 1 have continued their calculation work and begun to relate subtraction facts to know addition facts. They have all recorded their heights as part of a science study to track changes through the year.

Year 2 had a science-focus day learning about properties of materials. They used the inventor of the 'Mac' Charles Macintosh as inspiration.

Please note that PE and clothes for Shine should be school uniform and not football/sports kit. Tracksuit bottoms or leggings are recommended.

School will be closed to children for INSET days on Friday 23rd October and Monday 2nd November.

During the holidays you may wish to engage with this fantastic online reading resource

<https://www.storytalesfestival.com/whats-on/>

Finally, a big thank you to those amazing parents who have purchased items on the Amazon Wish List for the school. The children have been enjoying using their new resources in class. Class Teachers also wanted me to pass on their thanks for the tinned food items donated so far for Harvest which will be given to the Salvation Army.

Have a lovely weekend.

Best wishes

Gemma Fricker

Halloween Colouring Competition - Get creative this half term and help us raise some much-needed funds for the school!

As we've not been able to go ahead with the popular annual Halloween event at school this year, we have instead decided to offer a Covid-safe Halloween colouring/art competition to help children get in the spooky spirit!

Simply print out & decorate/colour-in one of the attached colouring sheets - or children can create their own Halloween masterpiece. Send a

photo of your child's creation(s) to HISHalloween@hotmail.com to enter.

Suggested donations of £1 per entry would be gratefully received (or whatever you can afford), via this link <https://www.paypal.com/pools/c/8tuzEilBWV>

A winner will be chosen from each class and certificates will be awarded for the best pictures! Good luck, happy colouring and Happy Halloween!

The new **FHIS Buying & Selling Facebook page** demonstrates our continued efforts to be more environmentally friendly and raise funds for the school. Since it's creation just three days ago, we are pleased to see that over £40 has been raised. Continued buying and selling on this forum has the potential to raise ongoing and significant funds, so please do use it if you can. A big thanks to Alice Nani-Scott for her idea and administration of the Facebook page. There are some great items available to purchase, including Halloween costumes. Why not dress up whilst you're getting creative for our Halloween Colouring Competition (perhaps post photos on our Facebook page), don't miss out: <https://www.facebook.com/groups/1490263547841703/>
