

Dear Parent/Carer

Children have really enjoyed the whole-school topic this week. Finding out more about China, Chinese culture and traditions associated with Chinese New Year. Trying out new recipes at home and having a Chow Mein for lunch in school were both hits, so we will replicate this in future topics throughout the year. Children showed off their creative skills with lanterns and dragons made at home and school that were detailed and intricate, and some of the maps produced were fantastic. The map Ted showed in his Google Meet including a 3d Wall of China was phenomenal!

Being invited to join in some Google Meets was highlight of my week. Not only did I get to see some smiling faces, I was able to find out how much had been learned through sharing sessions and quizzes. I'm looking forward to joining more next term.

Messages:

FAQs are regularly updated on the main school blog.

All families where there are two key workers (or single parent households with one key worker) with an essential childcare need are eligible for a place in school. Any child in this category, or the 'vulnerable' category who was in school during Term 3 is expected in school in Term 4 on the days previously agreed until school re-opens to all children.

Please check Google Classroom calendars to see times for group Google Meets for next term. A short cut to this is to go to meet.google.com

Families In Focus Resources

In the attached bulletin there are a huge range of resources for activities and support through the holidays and beyond.

These include: Support services/ group links, links to live library service story times, Laurence Weston out of school activity program, parenting support and advice, parent and baby groups as well as activities and support for older children.

News from FHIS

We hope the Term 3 FHIS Newsletter finds you all safe and well.

We all enjoyed the FHIS virtual disco last weekend and hope you did too. Everyone looked like they had lots of fun and in doing so, helped to raise over £550 for school projects. Thank you.

With so much uncertainty at the moment and difficulty making plans we cannot meet in-person for the annual quiz and curry night. Instead, we have arranged our **FHIS Virtual Quiz** which will take place via the Quiz Jockey platform on **Friday 5th March, from 8.15pm** with one of our HIS Dad's compèring!!!

To book your place, and a curry and rice, by the **deadline of 24th February**, complete the Google Form via the QR code or this link <https://bit.ly/2NhO1QQ>. Payment can be made at <https://bit.ly/3b9lMMz> using a PayPal account or debit/credit card. As we are restricted by numbers, having space for only 20 teams (or 120 electronic devices), do not delay in buying your tickets. If you cannot attend, why not make a direct donation to FHIS? For all quiz queries, please email FHIS at fhisquiz21@gmail.com

Lastly, we would dearly love for some new Committee members to get involved in the school PTA. If you can help, please get in contact with us at fhisquiz21@gmail.com to find out more.

We wish everyone a much needed break over half-term.
