Friday 5th February 2021

Dear Parent/Carer

There has been a lot of active and creative learning during this week with Year 2 designing, building and testing rockets to get themselves home from outer space, Year 1 jumping and chanting multiples of 2 and Reception using print and collage to make winter scenes-according to the forecast they may get some real snow-storm inspiration next week!

Learning at home and in school continues to be of high quality with progress being noted by teachers due to the efforts of children and parents. Thank you to all who completed the Home Learning Survey. Your responses were important in affirming the impact of the work of staff to create bespoke plans for our children and will be used in our reflection about plans going forward.

In school we have been involved in recruitment. Mrs Hayward has been successful at interview and was appointed to our HLTA post to replace Mrs Hopkins, and a new school business manager, Lauren Oram has been appointed to start in Term 5.

Learning celebrations form home:

Daniel and Nathan's rockets look as though they will be good enough to head into space. Talah is celebrating National Storytelling Week by reading to her pet fish!

Have a good weekend.

Best wishes

Gemma Fricker

Messages:

FAQs are regularly updated on the main school blog.

Covid Holiday Reporting:

During the February break schools have been asked to take on contact tracing for staff and pupils who have been in school. As with the Christmas break, this only applies to pupils or staff whose symptoms develop within 48 hours of school attendance. Outside of this timeframe Test and Trace will take over. There will be an updated link to a Covid holiday reporting form on the absence reporting page on the school website (go to About us/Useful Information).

Loss of a retired member of the HIS team:

This week we heard of the news that Mildred Miller a long-time dinner lady and lollypop lady at our school had sadly died aged 73. Our thoughts are with her family.

The family have asked for donations in memory of Mildred for Southmead Hospital charity to be sent c/s R. Davies and Son of 63 Westbury Hill.

Dates for the diary

Fri 12 th February	End of Term 3
Mon 22 nd February	Start of Term 4
Tue 9 th March	Parents' Evening
Thu 11 th March	Parents' Evening
Wed 31 st March	End of Term 4
Thu 1st April	Inset Day
Mon 19 th April	Start of Term 5

News from FHIS

FHIS Virtual Disco - Saturday 6th February, 4-5pm

Thank you to everyone who purchased a ticket for the first FHIS Virtual Winter Disco taking place tomorrow between 4pm-5pm. We look forward to seeing you there.

A combination of ticket sales and Happy Hour donations have so far raised £552 which is amazing and will go towards ongoing school projects. As the event was sold out, if you are no longer able to attend, please email FHIS as this will enable other families who did not purchase a ticket to participate in the event. If you would like to be placed on the disco waiting list, please email FHIS.

As the PayPal link has closed, several families have asked how they can make a donation. Please see the attached How To Help flyer detailing the FHIS bank account (Lloyds, sort code 30-99-38, account number 01331945). We are always extremely grateful for all donations received and the generosity of families. Thank you.

Details of how to access the virtual disco have been emailed to you, so please check your emails. If you have not received access details, please email FHIS immediately at FHISinfo@gmail.com

Party Peeps have asked families to ensure that cameras are turned on and also that if you have (or have just had) a special event such as a birthday, that you let FHIS know and we will ask them to do a shout out for your child. Most of all have fun!!!

FHIS Committee - The current Chairperson and Secretary will move on at the end of this academic year. If you're interested in finding out more about these roles, or indeed joining an event team please contact FHIS at FHISinfo@gmail.com

Many thanks, FHIS
