Dear Parent/Carer,

Thanks to the hard work of the entire staff team as well as the support of our fantastic parent community, the return of all pupils has been really successful. The children have been very excited to be reunited with friends and teachers and despite this excitement, have achieved some fantastic learning this week. As you will have heard in parent meetings, to build on current learning, we are carrying out some assessments on key objectives over the remaining weeks of this term to enable teachers to plan accurately for the needs of the children for the final two terms. Class blogs will be an important source of information for parents to find out what the key focus areas are each week so that this can be supported at home.

We continue to focus on re-building relationships and supporting children to settle. We have noticed that by mid-week the children (and staff) are very tired as this recent change is requiring a lot of energy to readjust.

I recommend a relaxed weekend to recharge which for me will involve either some storm watching or favourite board games to enjoy on Mother's day.

Have a good weekend.

Best wishes,

Gemma Fricker

Messages

Thank you to the Henleaze School Parents' Prayer Group

Thank you to the Parents' Prayer Group for the beautiful bouquet that was sent to staff this week. Your ongoing support and prayers are really appreciated.

Covid regulations:

Please remember that our school provision staying open relies as much on how parents and our community conduct themselves as how we manage operations in school. Play dates and other social contact must be within government regulations.

PE kits and Kits for Shine Sports

As children are spending the day in their sports kits when they have PE or a Shine club, we are not allowing branded football (or other) kits to be worn. Uniform is an important part of our school that contributes to a settled learning environment, so we require parents to support this. The last day of each term and other special occasions will continue to be on-uniform days. Please send your child's football socks and shin pads in their draw string bag.
