October 1st Bulletin

Headteacher update:

This week's dramatic and changeable weather has provided great opportunities for children to engage in a range of sensory experiences which have been put to good use in expanding their vocabulary and developing creative writing! However, as it gets colder and wetter, we will still be going outside to learn and play and will also have windows open for increased ventilation, so children will need to come to school appropriately clothed.

In the first of what we hope will be more regular opportunities to welcome parents into school, I would like to invite parents to come for an informal 'tea and biscuits' on the 12th October to find out about our current school development priorities and to meet myself and Mrs spaargaren our SENDCo. Mrs Spargaaren will be available to answer questions related to our special needs and disabilities provision, but as this has a wide remit, please could questions be sent in by email to sencohenleazei@bristol-schools.uk by the end of next week (8.10. 21) with the title 'questions for Head's Tea'

I hope to see some of you then./

Best wishes

Gemma Fricker

Photos and information about what has been happening in classes, the learning plans as well as important messages from teachers are all found in the class blogs ([click below](#))

Coming up:

7.10.21 Year 1 Trip to the Arboretum

Class 4 Ernest
Class 5 Phoebe
Class 6 Otis
Class 7 Noah
Class 8 Bella
Class 9 Mabel

Class of the Week: Class 5 for demonstrating kindness on many occasions and for working together to

Curriculum Update: Geography

KS1 are joining 'The Zero-Wasters' and taking part in the exciting Waste Nothing Schools challenge run by Bristol Waste. The challenge is to encourage pupils and their families to reduce waste and recycle more by completing five challenges within the home. Please look out for a booklet that will be coming home with your child on Monday. For more information head to class blogs, or their website. www.bristolwastecompany.co.uk/schools

Mrs Grant (History & Geography Lead)

Important Messages:

Reception parent/carer induction survey:

A communication was sent to parents of children in Reception classes earlier this week We really value your feedback and would be grateful if you could take the time to complete our short survey [here](#).

Parent Talent Bank!

We hope to be able to welcome back parent helpers into school next term and would like any parent who can spare one off or regular time to let us know of their talents and availability so that we can let them know when we are able to put them to good use.

Please click [here](#) to enter your details into a Google form

To book breakfast club, after school club or sports enrichment click below. To see more enrichment opportunities visit our [extra-curricular clubs page](#).

working together to
create a settled start to
the day.

Congratulations

everyone! To [watch a clip](#) of the assembly click the Star of the week image above.

FHIS:

Halloween Trail - Sunday October 10th

Our lovely Halloween trail is fast approaching (Sun Oct 10th) and we are hoping that a few more helpers could give just 30 mins of your time to help us on various fun stalls during the afternoon.

The event is great fun, predominately taking place outdoors, and is a lovely way to spend an Autumn afternoon, as well as raising vital extra funds for the school. Come and join the fun!

(Cake donations on the day would also be gratefully received!)

Thank you!
