13th May Bulletin

Headteacher update:

Reception classes were the first of our year groups to visit Henleaze library now that we have been invited back. I was interested to see that the library celebrated a belated 50th birthday last month and hope that it continues to be well used and remains for a further 50. Although children were unable to take out books, they were consoled by a visit to our own library to exchange books in school.

We held a rather exclusive Head's Tea in our library this week. The topic of Behaviour and the school's new Behaviour Policy was discussed alongside shared experiences. Despite the low numbers, it was a useful sessions. I would be interested to hear from parents about what other times might be more convenient to encourage more people to attend.

Our website has had some updates in the past few weeks with the addition of a 'Reception Year' page full of useful information for new parents and the 'Our Curriculum' page has had progression maps added in some subjects. These outline

how learning in a subject is built up over the 3 years, identifying key knowledge, vocabulary and skills. We hope parents are visiting these pages to help them understand the learning their child is engaged in whilst in school. A staff meeting last night led by our D&T and art Leads was a useful opportunity for us to reflect on the exciting opportunities in our curriculum. I'm sure you are often impressed by how much children know and understand art such a young age.

This term, School Council have been helping FHIS design a new logo as well as helping with our plans for some new playground equipment.

Class 8 took the initiative to write to me about something they felt strongly about as a class. We have had a concerted effort to improve sustainability in school, led by Eco Committee and this inspired Class 8 to request we select some areas to protect in No Mow May.

Class 8 have used an aerial view map to mark off 'No Mow May' areas. They enjoyed exploring Google Earth to explore our school from above.

And not forgetting our Amazing Luxury Hampers and many, many more quality prizes!!??

Buy single tickets or a strip of x5 or a strip of 10 tickets, to be in with a chance to win one of these exquisite prizes!

Here are some pictures of the Eco Committee planting on the bank. We're hoping the wild flowers will encourage insects. Click on the [Eco Committee Blog](#) to see what else they have been doing.

Important Messages:

Bookings for Shine Clubs:

With next term's booking openings, please check that you have a record of the dates your child is booked in for. Booking for a new term is not automatic and clubs fill up quickly. We have had a number of occasions where children have expected to be in a session when they aren't signed up. Shine coaches cannot accept children who are not signed up and need to control numbers to keep within planned ratios. See below for a link to the booking sites.

Lost Property:

Sadly, lost property has mounted up again. Please check for any missing items next week as we will be emptying the baskets ready for the end of term. To reduce this build up, please name your child's clothes, particularly jumpers, fleeces, cardigans and coats. If your child attends after school club, please check they have their belongings when you collect them.
