## How Can You Help?

### Volunteering on the day

The Mayfair can't go ahead without the support of our amazing parents and carers. It's our biggest fundraiser and a fabulous family and community event. To ensure its success, we need you.....! We will soon be sending out information to the Class Reps regarding sign up for the day. Please ensure you are on your class whatsapp group

If anyone would like to get more involved then please contact Kerry Maycock 07805740997 We are especially keen to hear from anyone who is able to help with setting up in the morning and helping to clear away after the event.

### **Does your company offer match funding?**

Do you work for an organisation that offers 'matched giving' for charity? Can you spare half an hour volunteering on a stall? If yes, then we would love to hear from you. We are particularly interested in hearing from any parents who are [employees of Lloyds Bank](#). By volunteering on a stall, Lloyds will match the money raised by the employees, which will have a big impact on our fundraising efforts.

If you are able to get involved then please contact us.

### **Other Info**

This year the admission on the gate will be £1 (pre school children are free). One programme will be sent home with each school child prior to the Fair.

Many thanks for all your donations - it couldn't happen without your help and support

Best wishes,

**HENSA/FHIS**
