## 16th September 2022 Bulletin

### Headteacher update:

This has been a busy week in school! The Key Stage 1 days got us off to a great start and as you can see from the pictures below (see more on the class blogs) the children really enjoyed their days. From it, they have been inspired to produce some great writing and art.

The rest of the week was an opportunity for us to demonstrate what we are proud of in our school. We had a positive Ofsted experience and are looking forward to the report. We are unable to share any details until the report is published which is expected to be within 30 school days.

I'm excited to be celebrating our first 2022-23 Stars of the Week today, all of whom have exemplified our school values and behaviour expectations throughout the week. We've been really pleased that the vast majority of our children have settled back in to our high expectations for behaviour and learning since returning from the summer break (particularly our Reception cohort who are doing really well) and are grateful for your support in reinforcing this at home.

I want to say a personal huge thank you to all parents who took the time to complete the Ofsted surveys and to offer their support in other more personal ways. We all felt very supported and are grateful to you for showing your commitment to our school.

Have a good weekend. We look forward to seeing everyone back on Tuesday 20th after the bank holiday.
