20th January 2023 Bulletin

Headteacher update:

The celebration of lunar (or Chinese) new year this weekend illustrates how quickly the term is rolling on. As is typical after a busy Christmas break, many children are starting to tire by the end of the week, but this hasn't stopped them creating some fantastic pieces of writing that they have been developing since the start of the week. Leaders have been lucky enough to spend time in some writing lessons this week and are feeling really impressed with the creativity, skill and effort shown in the children's writing. Reception have been inspired to write based on some very imaginative maps that they created, Year 1 created artwork of a dinosaur paradise to write about and Year 2 have been really engrossed in the story and characters in Look up, and so were able to write from the perspective of another using some sophisticated language and composition. We all love a good story, but it shows how powerful they are in developing children's imagination, vocabulary and love of literature.
