

31st March 2023 Bulletin

Headteacher update:

A raft of events this week have helped us get through to the end of term fighting through the germs and rain and finishing with smiles on our faces.

The Year 1 play was an absolute treat with all involved putting in so much effort towards the successful performance. The message about our responsibility to "think" and do our bit to reduce the effects of climate change was really clear and was delivered in true HIS style. A particular thanks goes to Mrs Gibson, Miss, Evans, Miss Ross, Mrs Hudson, Mrs Jarrett, Mrs Lovell and Mrs O'Reilly who have all worked with the children to support them in their performance.

Spring bonnets and (decorated) egg rolling were also a treat to see today. The creativity and ingenuity was really impressive and I was really pleased to see that some children had thought about the eco credentials of their bonnets and re-used materials.

Well done to Oisin in Sycamore, Reuben E in Magnolia and Otto in Maple who were given a prize for their bonnets.
