

Henleaze Infant School

'Be kind, be curious, be you'

6th October 2023 Bulletin

Headteacher update:

It's been a beautiful autumnal week so we've been able to make the most of our great outdoor spaces and really get stuck into some of the great experiences of this season. Autumn has been marked in school this week with the sounds of voices singing 'Cauliflowers Fluffy' and 'Harvest Calypso' drifting through the school, conkers being used in classrooms as a learning resource, planning for the Halloween Hunt and Fireworks Extravaganza as well as Year 1 returning from the Arboretum full of excitement of their finds, all proudly wearing Autumn crowns.

Coming up in the calendar is our Harvest assemblies during which the children will find out about how people celebrate harvest time across the world and will welcome visitors from the Salvation Army to find out about where food donations go. This year we are collecting for both the Salvation Army and families of Hope who both support local families through their food banks and deliveries. We will begin collecting donations from Tuesday 10th October ready for collection on Monday 16th. Please drop off donations of dried, jarred or tinned food to class teachers.

Children have also been learning about Black History Month, contributions of black and minority ethnic people in past and recent history. We have an all year round curriculum that aims to represent the breadth of our UK culture, but recognise the need to use BHM as a platform for raising the profile further.

Photos and information about what has been happening in classes, the learning plans as well as important messages from teachers are all found in the class blogs ([click below](#))

Important Messages:

The Hideaway Forest School Club

Thursdays 3.20pm - 5.45pm

Henleaze Infant School Grounds

£11.99 per session including fireside cooked snack

After a day at school there is nothing better than playing outdoors with friends. Come along and enjoy a Forest school session with a different nature-based theme each week. Come and build a cosy fox den, learn to balance like a squirrel on the slack line, swing in the trees like a bird, go on a bug hunt, pond dip, make nature crafts, use carpenter tools, enjoy a tasty snack around the campfire with friends and so much more....
