

'Be kind, be curious, be you'

10th November 2023 Bulletin

Headteacher update:

A parent on a school tour this week asked if children start to learn to read and writing in Reception classes. The group was surprised to hear that yes, Reception are already doing both! This made me reflect on the progress that the children in this year group had already made. It is amazing to think that all of the children have learnt to read and write some letters and many of the children have started writing their first words independently and they've only been in school 9 weeks!

Pride in writing achievements has been notable across the whole school this week. Year 2 have been inspired to write letters to me to request a day off school (we all know there's no hope there!) and Year 1 wrote very important firework safety posters, making sure they presented the information clearly to get their message across.

The FHIS message in this bulletin shares the total raised at last Saturday's firework event, so I won't give that surprise away, but I do want to say how fantastic it was to see so many people supporting

Sycamore Class: Chloe

Class of the Week: Bluebell Class for their hard work and enthusiasm for writing this week

the amazing FHIS fireworks event team through their attendance on the night and in particular those who helped set up, run a stall or marshal or clear up. It was great to see the team enjoys a post-event pizza as a reward for their commendable efforts. I hope this inspires more people to get in touch with FHIS to join a team. The funds raise make a huge difference to what we can offer the children and the events themselves are a great way for the school community to get together and enjoy our grounds.

Have a good weekend.

Kind Regards

Important Messages:

Parent Sessions this week:

There is a coffee morning with our school nurse for any parent who want to understand more about support thier child with anxiety and find out about available resources through the school nurse team.

A great week of lots of children again achieving their bronze certificate for 'reading for the stars!'

Congratulations everyone!

Thankyou so much for coming to Henleaze Community Fireworks, what a fantastic night! A massive thanks to everyone who volunteered on Saturday and our amazing Sunday crew who helped litter pick & tidy up. Our sponsors were CJ Hole & Wards and we had food suppliers- The Pizza Stable, the Crumporium and Guy Leisure.

We are so grateful to the Fireworks team who worked so hard over a period of months to plan the event. Thanks to Bobby, Sam, Ruslan, Matt, Jack, Rhys, Christian, Martin & Shelly!

Please note this is open to all parents of Infant and Junior school children.

Nuts, peanuts or anything containing nuts or nut products are NOT allowed.

Allergy awareness:

We have noticed children bringing in snacks and packed lunches that contain foods with nuts. There are adults and children in our school with allergies to peanuts, sesame or tree nuts who could have severe reactions if exposed. Please do not include foods with nuts and ingredients in snacks or packed lunches for either school or after-school club. These include: Nutella chocolate spread, peanut butter or humous sandwiches, some bread products and cakes, some cereal bars.
