

Henleaze Infant School

'Be kind, be curious, be you'

8th December 2023 Bulletin

Headteacher update:

A picture tells 1000 words... the smiles on the children's faces in these photos as well as those of the families who have come to watch the performances this week show what a success they were. Children not only learnt about an important Christian story, they experienced performing to an audience in and out of school. This is a big part of both the Infant and Junior school curriculum, with children learning about the preparation and the skills needed to put on choir and drama performances. In the Spring, we look forward to Year 1's contribution, then Year 2 provide the finale in the summer. I really enjoy looking out for those that shine during these occasions as it can quite often be unexpected. A good reminder of the reason we strive so hard to maintain the breath in our curriculum, to find each child's passion.

The final week of term will be one with some Christmas jollity built in, ending with class parties and the wearing of party clothes or Christmas jumpers. There won't be a newsletter next week, so I wish

Curriculum Update: Music

A huge well done to the Henleaze Infant School choir on their fantastic performance at the Henleaze Festival. We are so proud of all the effort they put in to learning the songs and the mature way in which they represented our school. We have had many lovely and positive remarks on how well they did - their hard work definitely paid off!
