

Henleaze Infant School

Part time induction period - September 2024

A part time induction to school is essential to allow us to build positive relationships with the children, get to know their individual starting points and support them to settle into routines. We appreciate that this can be difficult for some families but know that you will support us to ensure your child has the best possible start to their schooling life. We are unable to change, swap or speed up for the induction period for any child. However, if your child is finding the transition to school difficult we may have a conversation with you with the view to continue half days when most children are attending school all day.

Please find the part time induction timetable for September 2024 below. Your child will have been allocated either timetable A or B depending on their age.

- Morning only sessions are from 8:45am until 11:45am (unless stated otherwise).
- Afternoon only sessions are from 1:15pm until 3:20pm.
- All day sessions are from 8:45am until 3:20pm.

Please collect children from the classroom patio door. If you are collecting/dropping off at 11:45pm or 1.15pm, **please use the gate on Henleaze Park.**
